CHINESE

LANGUAGE COURSES

CHINESE LANGUAGE COURSES

IPIAC professional courses are taught in English. However, for students to adapt to Taiwan's life, IPIAC includes Chinese language courses in the first school year. In addition, a Chinese language certificate tutoring course will be designed so that students can obtain a Chinese language certificate with at least an A2 level before graduation.

Remark:

- STU will assist the disadvantaged students to arrange their financial plans. We will assist students to apply for the tuition fees installment from 1st to 3rd semester. However, students need to take responsibility for the fees of ARC, their living expenses, work permit fees and other expense.
- STU will encourage the students under poverty line to take a part-time job in their free time in the 1st school year.
- The tuition fees payment from 1st to 3rd semester will pay postponed to 4th to 8th semester.
